Ashley,

Thanks for the invite and of course I am very supportive. I also have to be careful not to be involved in any one individuals campaign so I don't attend any of the sessions.

**Subject:** Meet the candidate party at my home for Nicole

Hi Jane,

I have attached the invite to my home this Saturday for a meet the candidate gathering. I would really like for people to get to know Nicole and at least have opportunity to educate themselves about what she stands for. Even if they don't end up believing in her vision - at least they know what the vision is and they are making an educated vote. Please send this invite to anyone you think may benefit to meet her and/or come on your behalf if you are unable to attend. Hope you can make it! See you at the next NextGen group event/meeting! Please let me know if there's anything I can do to help.

Thanks,

Ashley Henry
