Hello Bill,

I hope you are well.

Can I ask you for a campaign favor? I made some postcards with my logo on them and have been asking different people to send them to friends and neighborhoods who live in ward 4.

I am asking for a quick note like "please consider Nicole on November 5th!" or "I support Nicole for city council, give her a chance!" Something along those lines.

Would you be willing to fill a few out and send them along? I have them stamped and ready for the mail, they just need an address and a note.

Please let me know what you think!
