No pest at all. It's a pleasure having someone actually asking for factual information!
This is a harder question and I am going to forward to both Jody Roberts and our attorney, Matt Vazzana. We know the main source of these videos come from Todd and we believe he is being helped by Kabier Batia. Jody will get back to you as soon as possible.

One more thing. I hope I'm not being a pest now.

www.informedhudson.com is an active website that basically copied our website name under .com where ours is .Org
This site is in opposition to Issue 11 and includes 3 videos. At least 1 being Todd Zedak's. I looks the other 2 are as well. I called Todd and he claimed no knowledge of the site. This site is copyright Informing Hudson. All rights reserved

They are not registered as a PAC and have not filed a report.

Who can enforce this?

Your favorite pest
