Nikki, good idea on press release. Suggest you forward this email along with your offer to all four of them. Bill

Awesome, I will design the invitation for the event. I can make it look really nice, like the ones I've done for Casey's fundraisers.

When you see them all tonight, stress to them that they should all submit a press release to the Hub THIS Thursday before noon. Would be nice to see all of them written up at the same time on Sunday.

Amazing work Nikki ... I am meeting with Lisa this week to talk about a combined event for all the candidates that I'd like to host.

We will loop you in!

At the last Council meeting I overheard her tell Lisa she had filed.

Hey Bill,

Brett ran into some hiccoughs. One entire form isn't valid because the person circulating it used the wrong form. He went to the BOE, and check all the other signatures though. He and his wife are getting the remainder of the signatures this afternoon, and he will go and file tomorrow. Really cutting it close there.

I saw Nicole yesterday, she attended the EAC meeting and she had about 90+ signatures and said she was filing today. Lisa was also at the meeting last night and said she was filing today.

I believe all 3 will be at the Council meeting tonight.
