Ok, I will touch base with Brett. If I don't email you sooner, I'll see you at the Council meeting.

Yeah, that 66 includes Hal, Keith, Brett and my signature pages.

Do you think 66 is enough? How many typically get invalidated? Is 16 enough of a buffer?

Nicole is good to go.

Brett has 66 signatures, which, I'd hoped he'd have a few more.... Do you think that is sufficient? Do you know of anyone in Ward 3 who he could stop by on his way to work in the morning to get their signature?
